GREAT IS YOUR LOVE

STEVE JONES

**Who awakens souls
That sleep from dreams of empty things?
What steady hand holds restless men?
Brings forth from them a song to sing, yeah**

**Who is holy other than
The other loves I've known?
That pure and faithful hands
Would hold me is a gentle miracle**

**Great is Your love
Unyielding and unchanged
Your relentless heart
Has captured mine today**

**Who has brought forth life from death
Whose voice is whispering?
Come back to me all You weary
You will surely sing**

REST YOUR HEAD

STEVE JONES & BRANDON McCOY

**The need, the give
There's a need to forgive
You fake, you pray
You hurt anyway
And the memory's the same
Enough for now**

**Don't be worried rest your head
Things are falling down, falling down
Dry your eyes now don't be sad
Lights are calling out, calling out**

**The sky, the seed
The roots go deep
And your heart is right
To say enough for now**

**You are beautiful and
Your soul will smile another
Daylight will find you waiting
Your soul will find its way back home
Will find its way back home
Will find its way back home**

SAVING GRACE

STEVE JONES

**Lord I fall so short
And I need Your grace
I feel so tired inside
I feel so far away**

**Desperately I seek
The love that pardons me
My lips will sing the praise
Of Your sacrifice for me**

**And grace, sweet grace
Though from You I have wandered
So far away
You pour on me Your shower of grace**

**So I look up to the sky
The world that You have made
I'll offer You my life
I'll offer You my praise**

**(And) I'll sing Hallelujah for You are
You are my saving grace**

SEEDS

STEVE JONES & BRANDON McCOY

**And it's melodies to sing
And it's faith in things unseen
And it's promises to keep
And it's sowing seeds to me**

**And it's things that keep me awake
And it's hope for peaceful days
And it's when I see Your face
And it's sowing seeds to me**

**And it's sowing seeds to me
And it's sowing seeds to me
And it's sowing seeds to me
And it's sowing seeds to me**

SING HOLY

STEVE JONES

**We have tasted and have seen
That You are good and bring
The humble close to You**

**So lift up the Lord, our God, who breaks
Into the world He made
And chases after us**

**We come, raise our voices high
Join in heaven's choir that never stops
singing
Holy, holy, holy**

**He is faithful to our hearts
To lift the weary up
And reign with grace and love**

**So shout like saints after and before
It's You that we adore
It's You whose marked our lives
So rise up, sing out Your praise**

**We come, lift our heads and sing
Watch heaven come in Your kingdom
Singing holy, holy, holy**

YOU ARE WHAT WE NEED

STEVE JONES

**You are what we need, only You
You are what we need, Lord
You are what we need, only You
You are what we need, yeah**

**Does our song impress a God
Who made the sound?
And lives with angels shouting
A worship that resounds
Falling down onto the earth
Like a wind that stirs our need
Calling out to human hearts
To lift humble voice and sing**

**Do You see the way we fall
And pick us up?
Could a broken love be offered
Would You smile and take it up?
You have formed us for Yourself
And it's You we're restless for
And our hearts won't rest until they are
To holy love restored**
